Vitamin String Quartet Announces Stop in Bellingham - Experience the Music of Taylor Swift, Bridgerton & Beyond

Bellingham, WA — Beloved pop-culture inspired instrumentalists Vitamin String Quartet have announced their U.S. tour performing the music of Taylor Swift, Bridgerton, and more. With over 2 billion streams, almost 4 million downloads, and over 1 million physical units sold, the Billboard-charting ensemble is known for their classical reinterpretations of pop hits. Their songs have been prominently featured in the Netflix and Shondaland original series *Bridgerton*, and the quartet performed at the show's Season 3 premiere event.

For 25 years, Vitamin String Quartet (VSQ) has been establishing classical crossover as a genuine force in contemporary music. From Lil Nas X to Björk, Studio Ghibli to gothic metal, VSQ breathes new life into music that is already well-loved. On this tour, VSQ will perform spellbinding and innovative renditions of Taylor Swift's music, alongside familiar hits from Billie Eilish, BTS, *Bridgerton*, The Weeknd, and Daft Punk.

"We are thrilled to bring Vitamin String Quartet's beloved arrangements of all things pop out to the many audiences that have already made VSQ records a part of their lives," said VSQ cellist Derek Stein. "We can't wait to dive into all of our favorites — new and old — with our fans across the [U.S.]"
